

EXPLORATION SERIES
COURTNEY BENHAM
2023 SAUVIGNON BLANC
CALIFORNIA

THE SPIRIT

This wine is a journey through California's cool-climate coastal vineyards—places where marine layers, ocean breezes, and varied soils converge to create something fresh, vibrant, and distinctly expressive. It's Sauvignon Blanc with a spirit of exploration, made for the curious palate.

VINEYARD NOTES

Rooted in sites shaped by fog and ocean influence, each vineyard adds nuance—zesty citrus from one, tropical lift from another, and herbal finesse from the next. Together, they capture the full breadth of California's coastal character.

THE CRAFT

Whole-cluster pressed and fermented with native yeasts, each vineyard lot was vinified separately to preserve its unique identity. The wine was aged entirely in stainless steel to maintain its crisp, electric energy.

THE EXPERIENCE

Zingy notes of lemon, lime, and pomelo lead the way, followed by fresh kiwi, melon, and a whisper of sweet basil. Herbaceous and clean with vibrant acidity, this is a Sauvignon Blanc that's as bright and bold as the state it calls home.

BRIX	22.3	ALC.	13.4%
PH	3.25	BLEND	100% Sauvignon Blanc
TA	6.6 g/L
